IMPORTANT

HAIR: We ask for your help with assuring that your child arrives to dance with her hair pulled neatly back in a bun please (Hippity Hop & Hip Hop the exception, wear dancers are asked to wear their hair in a neat & tidy ponytail). There are important reasons for this, kindly take a moment to review.

- Hair pulled up and off the face exposes your child's neck, head and spine so that we can ensure proper usage and development.
- Hair pulled neatly back in a bun and proper dance attire helps us to quickly spot imperfections in body alignment.
- Hair worn up and off the face eliminates distractions, which ultimately helps your child learn faster.
- Hair pulled neatly in a bun also helps to set the tone of the class, which puts students in right frame of mind to start learning.
- Self-discipline and dance dress attire go hand in hand.

Please purchase "hair pins" from Shoppers or Bodythings. Regular "bobby pins" will not hold a bun in place.
